OUR CLIENTS

"I have worked with Timeless Sash Windows on a number of projects at various stages ranging from initial survey reports , fabrication and finishing on site. In short, they are a pleasure to deal with.

Their depth of knowledge and experience is astonishing and is equaled by their standard of workmanship and professionalism. They are team players who are always willing to problem solve and be flexible, which are essential attributes when working with historic protected structures. They would always be on our tender list and I would have no hesitation recommending them to any client." Tom Sweetman, Mahony Pike Architecture

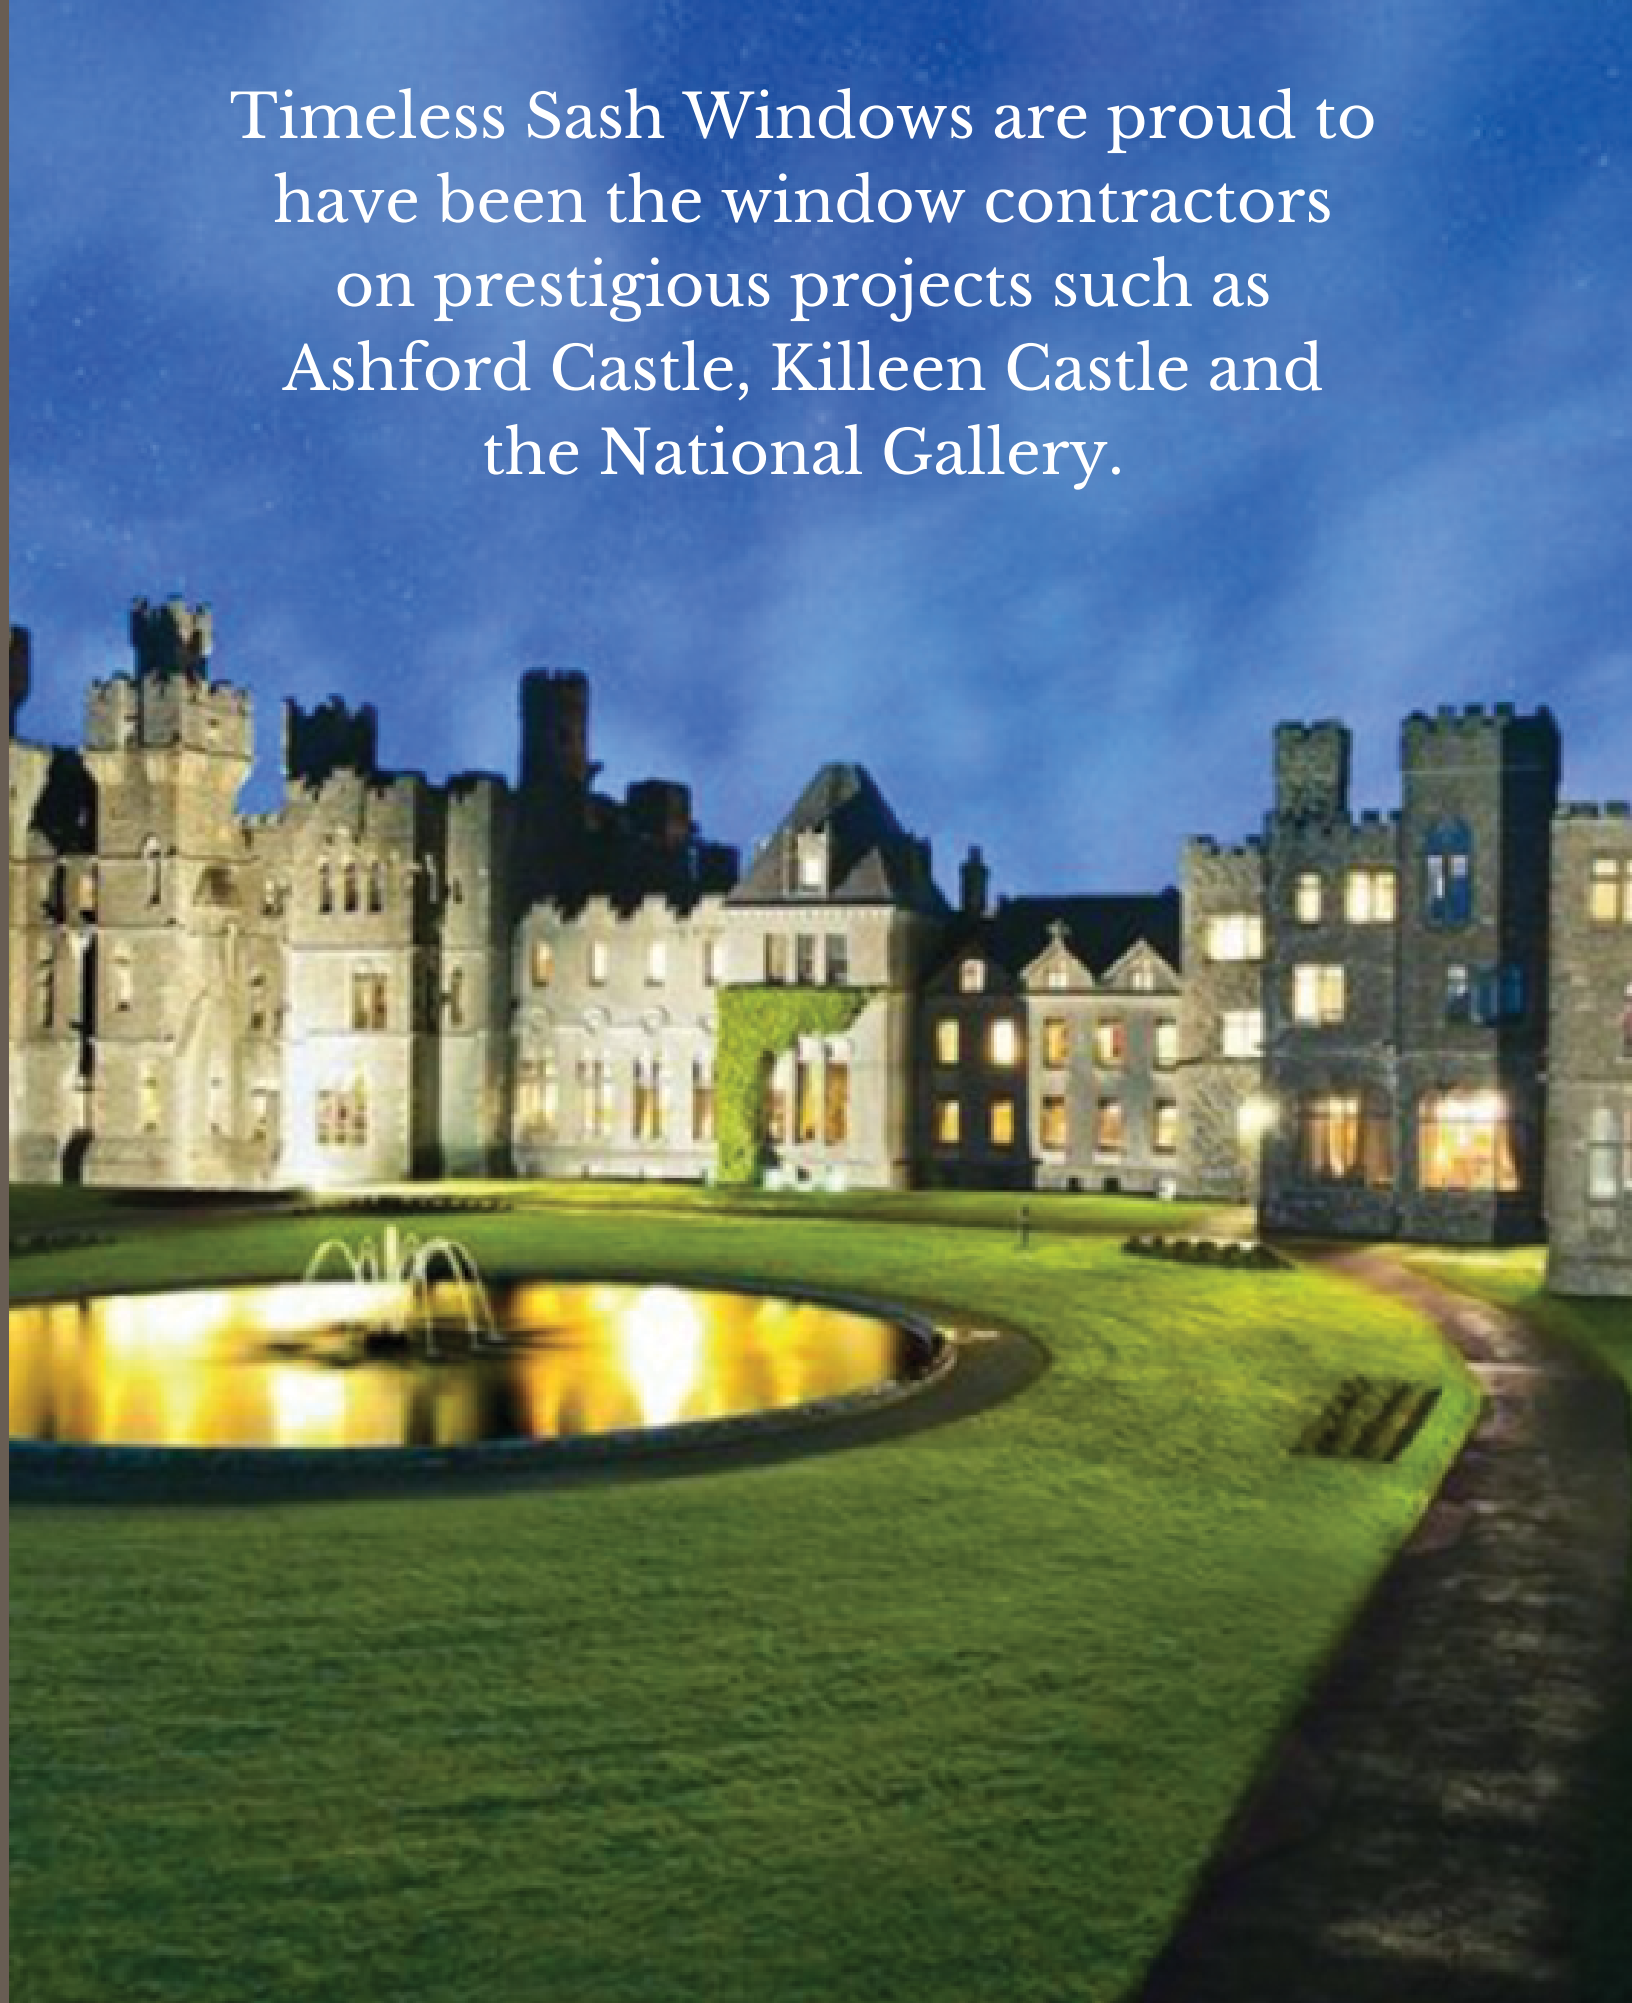

OUR PORTFOLIO

Every project is different and we specialise in tailor made solutions. Our extensive portfolio features a broad range of project types including commercial, historical conservation, modern homes and restoration.

DEFINING IRISH HERITAGE

Timeless Sash Windows are proud to have been the window contractors on prestigious projects such as Ashford Castle, Killeen Castle and the National Gallery.
